THE VENUE - 2025

Given its location, flexibility, and premium offering both on and off the course, The Drinks Trust is delighted to announce Bocket Hall as the host venue of The Drinks Trust Golf Day.

A mere 20 miles north of London lies the delightful Bocket Hall Golf Club, set in 500 acres of seclusion. The Melbourne course was the first course to be laid out in the grounds of Bocket Hall. Designed by Peter Alliss and Clive Clark, it opened for play in 1992. Many people believe that this is one of the finest designs from BBC television's voice of golf. The layout follows the natural contours of the undulating 18th century parkland and the course belies its tender age.

DIRECTIONS

If you are travelling by car, please note, the postcode AL8 7XG gives a more accurate location. Please use the Golf Entrance on the Marford Road. Once on the Estate, follow the main drive up to the top of the hill, turn left and park in the Main Walled Car Park, then follow signs for 'The Golf Concierge'.
